Low Waste Lunches are a great way to get young people to begin to think about “Rubbish” or “Waste” and what they are throwing in the bin.

“Rubbish” is actually made from valuable resources, for example paper is made from trees, plastics are made from crude oil, coal and natural gas. It takes a lot of water, raw materials and energy to make “Rubbish”, so it’s important to try and AVOID, REDUCE, REUSE and RECYCLE wherever possible.

All of us throw things out everyday without considering the environmental impact of what we are doing. Packing a low waste lunch is easy. Here’s how……

**Low Waste Lunches AVOID:**
- Plastic wrap and foil
- Disposable items like plates knives and forks
- Paper lunch wrap
- “Gimmicky” packaged items e.g. chips, biscuits, small yoghurts, individually wrapped serves of food

**Low Waste Lunches REUSE:**
- Use re-useable containers that can be washed out
- Use a re-usable drink bottle which can be used many times
- Use recyclable and/or compostable packaging over disposable packaging (e.g. Plastic wrap)
- Cheese and biscuits or yoghurt which are taken from larger containers and repacked into a re-useable smaller container will avoid extra packaging waste and ensure that your child can reseal the food if needed
- Are often much healthier. They can encourage children to eat more fresh food packed in suitable quantities, instead of eating “gimmicky” snack foods.
## A Low Waste Lunch Comparison

### Lunch Box 1

**Low waste lunch**

- Sandwich
  (cloth serviette/reusable container)
- Yoghurt
  (from 2 kg tub in re-useable container)
- Sultanas
  (from 250g packet in re-useable container)
- Piece of fruit/cut up
  (scraps can go in the compost or worm farm)
- Cheese & Crackers
  (in re-useable container)
- Juice or water
  (In a re-useable drink bottle)

### Lunch Box 2

**Waste-ful lunch**

- Sandwich
  (wrapped in plastic wrap)
- Yoghurt
  (60g disposable container)
- Sultanas
  (15g disposable box)
- Packet of chips/muesli bar
  (in non-recyclable packaging)
- Cheese & Crackers
  (individual serve in disposable container)
- Popper style drink
  (125ml disposable pack)

### What you throw out:

- **Nothing!!**
  All containers are taken home, washed & re-used.

### What you throw out: 10 items

- i) Plastic wrap (1)
- ii) Yoghurt container (2)
- iii) Sultana box (1)
- iv) Chip packet/muesli packet (1)
- v) Plastic individual serve pack (2)
- v) Popper pack (3)

As well as minimising waste, the low waste lunch option costs less because items are bought in larger (bulk) quantities rather than individual serves.

Thank you to Mullumbimby Community Preschool for this example.
